Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the acquisition and rehabilitation of the Ollie Green Professional Building by Simmons College in Louisville, Kentucky. The entity to receive funding for this project is Simmons College of Kentucky Inc, located at 1018 S 7<sup>th</sup> Street, Louisville, KY 40203. The funding would be used to build a home for new degree programs at Simmons College and allow them to better educate the traditionally underserved communities they serve, which will create economic development and opportunity.

The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(1) and 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey  
Member of Congress
